FACTSHEET

Herbal Hair Care

Every hair type is individual and calls for hair care tailored to its specific needs. That's why Herbacin has developed a **silicone-free** hair care series with a main focus on natural and herb-based ingredients.

Herbal Shampoo Care for stressed/damaged hair

Gives stressed hair new power and moisture. Its **natural care complex** of melons, bamboo and hops provides lasting nourishment to even stressed hair and delivers noticeably more moisture. Whether damaged by hair dye, perms, too hot blow-drying, sun or salt water – the natural and nourishing ingredients in Herbal Shampoo Care give every hair elasticity and a healthy shine.

FACTSHEET Skin Solutions

Your challenges –our solutions! Roughly one in two people suffers from skin problems such as **dry and cracked skin, acne, psoriasis or pigmentation marks**. Herbacin Skin Solutions series helps combat and alleviate skin problems.

Pigmentation Spots

Age Spot Primer

Our Herbacin Age Spot Primer combines intensive skin care with epigenetically controlled reduction of pigmentation marks (age spots) and thus prevents light-induced skin aging. The **extract from the leaves of the langsat tree** reduces melanocyte activity. Existing pigmentation spots are reduced, and the development of new hyperpigmentation is counteracted.

FACTSHEET Wutapoon

An extra-mild care formula, effective against dandruff for more than 30 years! Proven Wutapoon Anti-Dandruff Treatment is the perfect remedy against dandruff, itchiness and scalp irritations. Whether caused by too hot showers, blow-drying, cold winds and dry air from heating or hereditary reasons.

Anti Dandruff Shampoo

Phase 1: Intensive cleansing with a "Bye, bye Dandruff-Effect"

Wutapoon Duo System Anti-Dandruff Shampoo is the ideal solution for obtaining and maintaining healthy hair and a healthy scalp.

This extra-mild shampoo not only regulates the sebaceous glands hyperfunction, it also reduces the rate of skin cell formation. Its plant-based care composition with regenerating panthenol is extremely skin-friendly, relieves you of annoying dandruff in no time and supports the natural regeneration of the scalp. Naturally gentle yet highly effective.
